

Miss Oregon Volunteer Organization  
**2021 Titleholder Appearance Agreement**

I, \_\_\_\_\_ a titleholder in the 2021 Miss Oregon Volunteer Organization do agree to the following:

As a local titleholder of the Miss Oregon Volunteer Organization it is mandatory that I attend the state pageant or my title and all prizes and entry fees will be turned over to the Miss Oregon Volunteer Organization.

As an official titleholder I understand that I may not compete in any other pageants that are considered a conflict of interest to the Miss Oregon Volunteer Organization, or Miss Volunteer America until I have competed in the state pageant.

I do hereby, also understand, that as a titleholder part of my responsibilities will be to make appearances in the community. All appearances must be approved by the Miss Oregon Volunteer Organization, the Media Manager, or the Executive Director. Appropriate appearance attire is required, no jeans, or flip-flops, unless specifically instructed. No cell phones are allowed out of my pocket/handbag at any appearances except for photos (being attentive at an event is very IMPORTANT). For safety issues a chaperone is recommended at every appearance. If a board member from MOVO cannot attend, a mutual agreement must be made with the ED as to whom I will have as a chaperone. I understand that I must show up fifteen minutes early to all events with my sash and will not leave until my appearance ends as stated by the event coordinator or my ED.

I also understand that thank you notes are to be sent within forty-eight hours of any appearance or sponsored function, including the pageant on July 31, 2021.
